FACULTY OF ARTS AND SOCIAL SCIENCES

DEPARTMENT OF SOCIAL SCIENCES&DEVELOPMENT STUDIES

REGULAR/ODEL PROGRAMME

DPM 533: COMMUNITY DEVELOPMENT

Date: APRIL 2022

Duration: 3 Hours

INSTRUCTIONS: Answer Question ANY FOUR Questions

Q1. As a community mobilizer, you want to introduce water harvesting tanks in your rural area where accessibility to clean and safe water is a challenge. State the various assumptions you will make in relation to community mobilization. **(15 marks)**

Q2. Community development agents need to change their role from that of providing the community with knowledge with or without their participation to that of involving community members and believing in their ability throughout the project implementation process. Discuss. **(15 marks)**

Q3. Donors are becoming more interested with community participation and empowerment, but their time limits and predetermined objectives are often perceived as barriers to these principles. Explain this statement citing relevant examples. **(15 marks)**

Q4. Development agents have argued that a community's project is as good as its leaders. Discuss this statement citing relevant examples. **(15 marks)**

Q5. Discuss the various factors that influence the success of change agents in field operations. **(15 marks)**

Q6. The basic nucleus model is also referred as the induced social action model. It argues that community development should occur in stages. Discuss these stages giving relevant examples. **(15 marks)**
